OHSidian stylus evaluation

This page is printed text. A highlighter must not fade it.
Draw here with the pen, then check the annotation in another reader.

The quick brown fox jumps over the lazy dog. 0123456789.
The quick brown fox jumps over the lazy dog. 0123456789.

Section 1. Printed black text

Highlighting this paragraph should tint the paper, not the letters.
Highlighting this paragraph should tint the paper, not the letters.
Highlighting this paragraph should tint the paper, not the letters.

Section 2. Annotation space

Keep this area free: write a line and a circle on the blank paper.
